

**Wylie Baseball and Softball Association  
Mission Statement**

The Wylie Baseball and Softball Association is a non-profit youth sports association serving the children of Wylie, TX, and surrounding communities. We offer youth baseball for boys ages 4 to 16 years old, and fast pitch softball for girls ages 4 to 14 years old. Our mission is to provide safe, enjoyable, recreational opportunities for the youth of Wylie, TX, and surrounding communities. We will teach the basic skills and fundamentals of the sport and provide a safe and nurturing environment, where all children will have the opportunity to play regardless of skill level. We will also ensure that each child has a positive, rewarding experience while participating in the programs, and that each child will learn the importance of sportsmanship, teamwork, honor, and integrity while sharing with their coaches and teammates the emotions of success and failure. The Association will secure adequate playing facilities, insurance, supplies, and trophies/medals. Using a web based software tool, the league will conduct player registrations, form teams, and create divisional game schedules for the different age groups. While the league does have space constraints due to the number of fields and volunteer coaches in a season, it is our policy that no child from Wylie will be turned away due to financial hardships. Scholarships are provided to players that need financial assistance to participate.
